EDUCATION

B.Tech (information Technology)
Netaji Subhash Engineering College 📅 2021 - Present GPA **8.37** / 10

Intermediate
Holy Mission Secondary School 📅 2019 - 2021
• Aggregate Percentage - 68.9

Matriculation
Gyan Niketan, Patna
• Aggregate - 78

PROJECTS

Netflix Clone

- Developed a replica of the Netflix user interface using HTML and CSS.
- Focused on responsive design principles to ensure compatibility across various devices and screen sizes.
- Implemented carousel sliders, navigation menus, and other UI elements to closely emulate the original Netflix website.
- Leveraged modern CSS techniques and libraries to achieve pixel-perfect accuracy in design and layout.
- Deployed the project to a hosting platform for demonstration, showcasing proficiency in front-end development and UI design principles.

Admission Form

- Designed and developed an interactive admission form using HTML, CSS, and JavaScript.
- Implemented form validations using JavaScript to ensure data accuracy and completeness.
- Employed modern UI design principles to create an intuitive and user-friendly interface.
- Demonstrated proficiency in front-end development, JavaScript programming, and user-centric design principles.

POSITION OF RESPONSIBILITY

Sports Secretary
Netaji Subhash Engineering College 📅 2022 - Present

- Elected as Sports Secretary, responsible for organizing and managing sports-related activities and events within the college.
- Coordinated intercollegiate sports competitions, overseeing logistics, scheduling, and team participation.
- Facilitated communication between the college administration, sports teams, and external organizations for effective collaboration and resource allocation.
- Implemented initiatives to promote physical fitness and well-being among students, encouraging participation in various sports and recreational activities.

Event Management Head, Greenovation Club
Netaji Subhash Engineering College 📅 2023 - Present

- Appointed as the Event Management Head of the Greenovation Club, leading a team in organizing and executing eco-friendly events and initiatives.
- Cultivated partnerships with local communities, businesses, and nonprofit organizations to support the club's mission and expand its impact.

SUMMARY

Motivated 3rd-year IT undergraduate with a passion for coding and a strong foundation in HTML, CSS, and JavaScript. Proficient in data structures and algorithms, with a keen interest in solving complex problems.

ACHIEVEMENTS

 **Badminton Doubles Champion**
